February 2016

Dear High School Band Director,

Sunday, June 5, 2016 has been designated for the Atlantic Wind Symphony's Awards Concert. On this afternoon we would like to honor your outstanding graduating band member. The Atlantic Wind Symphony will present an award to this student during a brief ceremony at our 3pm concert. Your selected outstanding student will also be invited to perform within the Atlantic Wind Symphony during a combined piece of Atlantic Wind Symphony Performers and all of the Outstanding Band Students.

You are invited to submit ONE Senior name per high school of your outstanding graduating band member by Friday, May 6, 2016. Please complete the enclosed form, taking special care in spelling the student's name correctly, as information taken from this form will be used in our program. Concert tickets, music, and information concerning the Awards Concert will be sent directly to the student when we receive your completed form. Students must attend the rehearsal to perform on the concert. If students cannot make the rehearsal, they are still welcomed to attend the concert and will still receive their award, however students must attend the rehearsal to be able to perform. The only rehearsal is Friday, June 3, 2016 from 7pm-9pm.

We look forward to hearing from you. Please complete the enclosed information sheet now and return it so we may honor a student from your high school. If you would like to reserve two complimentary tickets to attend the concert, please indicate it on the attached application.

Sincerely,

Shayna Stahl
Solo Competition Chairperson
